SONG OF SARATOGA.

"Pray, what do they do at the Springs?"
The question is not new.
But to answer it, my dear,
I write a stanza or two.

And let it be a hint to you,
To tell what they do at the Springs!
Impress my darling, they drink
The water of Saratoga clear;
Though the flavor is none of the best,
And the odor is not very rare.

But the water is good, you know,
With wholesome medicinal drugs,
And they drink it and they drink it,
And that's what they do at the Springs!

Now they stroll in the beautiful walks,
Or lie in the shade of the trees;
They are so happy and so gay,
That never is there a sigh or a tear.

They are so happy and so gay,
That never is there a sigh or a tear.
They are so happy and so gay,
That never is there a sigh or a tear.

They are so happy and so gay,
That never is there a sigh or a tear.
They are so happy and so gay,
That never is there a sigh or a tear.

They are so happy and so gay,
That never is there a sigh or a tear.
They are so happy and so gay,
That never is there a sigh or a tear.

They are so happy and so gay,
That never is there a sigh or a tear.
They are so happy and so gay,
That never is there a sigh or a tear.

500 SHOT DEAD!
DR. MCKENZIE'S DEAD SHOT
WORM CANDY!
 Working Miracles beyond all conception.
 The Medical Faculty of Scotland, as well as
 England and Ireland, have pronounced this
 Worm Candy to be more good than all other

Worm Medicines combined. It has stood the test since A.D. 1794, nearly one hundred years, which, almost every son and daughter of Old Scotia can testify. It has always borne the name of "Old Dr. McKENZIE'S WORM TIC-STRICK," as it resembles a sandy-stick in taste and appearance, and a child eating it is wholly unconscious of taking medicine, and where worms exist the results are beyond description.

gall, Dundee, passed over 500 WORMS in three days, which he testifies, that he believes by God's blessing, it saved the child's life. Thousands of similar testimonials are given (without solicitation) to the present Proprietor.

GENERAL SYMPTOMS OF WORMS.

Restlessness, sudden starting and grinding the teeth in sleep, convulsions, ravenous appetite, (sometimes no appetite,) paleness, picking the nose, bowel complaints, fever, trichinosis.

All of the above symptoms will immediately cease to exist by using this Medicine once or twice. It always gives health, even if no worms exist. It is perfectly harmless even to the most tender infant.

Warranted purely Vegetable in its combination.

Full Directions with each Package.

Sold at retail by all Druggists and Medicine Dealers in Europe and America, at 7½ pence sterling (15 cents) per package, or 2 shillings (50 cents) for four packages. Be sure that each package has the signature of H. E. McKennie.
